PROFESSIONAL EXPERIENCE

Maternity Leave | March 2024 - Present

Temporary IT Application Analyst

City of Austin, Texas USA | November 2023 to February 2024

- Developed, implemented, and configured technological solutions for Austin 3-1-1's Customer Relationship Management (CRM) system.
- Designed, updated, and maintained service request flows, supplemental specifications, and technical specification documents to guide system development and implementation.

Maternity Leave | May 2021 to October 2023

Technical Customer Support - Tier 2

Verizon Connect, Australia | January 2021 to April 2021

- Specialized in troubleshooting Internet of Things and telematics devices, addressing connectivity, functionality, and performance issues. Collaborated closely with field technicians and the Product Team, I conducted thorough investigations and implemented effective solutions to diagnose and resolve problems.

Business Analyst and Technical Customer Support Specialist

Conga, Australia | July 2019 to October 2020

Conga is a globally recognized leader in Digital Document Transformation Solutions that operates within the Salesforce ecosystem.

- Achieved a customer satisfaction rating of 4.9/5, exceeding company's stretch target of 4.5/5.
- Utilized Salesforce Object Query Language (SOQL) to retrieve necessary data fields and related records, effectively leveraging Salesforce data in the document generation process.
- Leveraged Conga Solutions with Salesforce Workflow Rules and Salesforce Flow to automate the creation and distribution of documents without requiring manual user intervention.

Technical Support Engineer

Siteimprove, Australia | October 2018 to July 2019

Siteimprove is a multinational SaaS company specializing in cloud-based tools and services for website governance and optimization.

- Managed an average of 10 Level 2 tickets daily, consistently meeting 95% of Service Level Agreements and ensuring high customer satisfaction.
- Resolved internal and external support tickets through effective communication and advanced troubleshooting skills, taking ownership of issues.

Technical Support Engineer - APAC

FTI Consulting, Australia | November 2017 to October 2018

FTI is a leading global financial consulting and management consulting firm.

- Recognized as Employee of the Month in July 2018.
- Supported software applications, PBX systems, and databases on workstations, servers, and remote connections.
- Proficient in Windows OS, Active Directory, Office 365, Citrix, IP networking, and tiered support systems.

Technical Support Assistant

Western Sydney University, Australia | August 2016 to October 2017

As part of the Campus Technical Support Team, I provided support to University staff and students in the following areas:

- Software - Windows 7/8/10 installation, configuration, and troubleshooting.
- Networking - Access, Configuration and Issue resolution.
- Hardware - PC, Printer, and Peripheral Installation and Maintenance.
- Support - Remote and Face to Face using ServiceNow.

EDUCATION

Graduate Certificate in Information and Communications Technology, 2016 - 2017

Western Sydney University, Australia

Associate Degree in Applied Sciences - Internet Development Technologies, 2013

El Centro College, Dallas, Texas (8 of 16 modules completed)

Bachelor of Science in Hotel, Restaurant and Institution Management, 2002 - 2007

University of the Philippines

PRIOR EXPERIENCE

Experienced hotel professional working across the US, Middle East, and Australia for leading hotels namely Four Seasons, Hyatt, Starwood and Radisson. During this time, I consistently surpassed targets in sales and customer satisfaction and received numerous awards. As a result, I was chosen for Hyatt's Supervisor Development Program and Management Training Programme.

Sales Coordinator	Four Points by Sheraton Sydney	Feb 2015 – Jul 2016
Client Information Specialist	Four Seasons Hotel Sydney	Mar 2014 – Jan 2015
Management Trainee	Hyatt Regency Dallas-Fort Worth	Jun 2011 – Jun 2012
Guest Services Officer	Grand Hyatt Dubai	Jan 2009 – Feb 2011
Front Desk Agent	Radisson Resort Orlando	Jun 2007 – Jun 2008

SELECTED ACHIEVEMENTS

Sales Coordinator: Reduced the time spent on month-end procedures approximately 33% by developing a PowerPivot model which automated the reporting procedures.

Client Information Specialist: Nominated for Employee of the Month for October 2014 for improving customer recognition by monitoring and enforcing data entry standards through training staff at the Sydney property.

Management Trainee: Nominated for Employee of the Month for December 2011 amongst 450-plus employees. Achieved the highest score on Guest Satisfaction Survey for the months of October and November 2011.

Guest Service Officer: Chosen for the Hyatt Supervisory Development Program 2010 amongst 800+ employees.
